Dear Mr. Nolan:

A neighborhood meeting was held on 5/4/05 regarding a petition for sewer extensions on Southern Boulevard and Ryders Lane. In attendance were Common councilman Kevin Barry 5<sup>th</sup> ward , Supt. of Public Works William Buckley and exofficio council members Teicholz and Seabury and residents of the area. As a result of that meeting I am requesting a mailing survey to be done as part of the assessment methodology. I would like to have this put on the June 05 agenda for approval. Should you have any questions please contact me and I will be glad to answer them for you.

Sincerely,  
*Fred Visconti*
