Mayor Mark D. Boughton  
Members of the Common Council

Re: **Request for Sewer Extension at 25 Segar Street**

The Common Council Committee appointed to review the request for sewer extension at 25 Segar Street met on June 27, 2005 at 7:30 P.M. in the Third Floor Caucus Room in City Hall. In attendance were committee members Steinerd, Urice and Esposito. Also in attendance were Robert Riley representing the DAV and Council Members Nolan and Teicholz, ex-officio.

Mr. Steinerd noted the positive recommendation from the Planning Commission. Mr. Riley stated that they now have permission from the railroad owner, Housatonic Railroad Company, Inc. to install an underground sewer line across its right of way. The septic is failing and there could be problems if it does.

Mr. Steinerd stated that he had spoken with Director of Public Works William Buckley who recommended approval subject to the required eight steps.

Mr. Urice made a motion to recommend approval of the request for sewer extension at 25 Segar Street subject to the required eight steps. Seconded by Mr. Esposito. Motion carried unanimously.

Respectfully submitted,
