COMMON COUNCIL

REPORT

July 6, 2005

Mayor Mark D. Boughton
Members of the Common Council

Re: **Request for Sewer and Water Extensions on Stable Drive**

The Common Council Committee appointed to review the request for sewer and water extensions on Stable Drive met on June 9, 2005 at 7:30 P.M. in the Third Floor Caucus Room in City Hall. In attendance were committee members Riley, Stanley and Visconti. Also in attendance were Director of Public Works William Buckley, Deputy Corporation Counsel Eric Gottschalk, Airport Administrator Paul Estefan and Council Members Cavo, Seabury and Teicholz, ex-officio.

Attorney Gottschalk stated that since the time of the request the City has acquired the property to protect flight zones at the Airport. Since the City owns the property and it will not be developed as anticipated, the petitioner has no interest in going forward.

Mr. Visconti made a motion to recommend that no action be taken at this time. Seconded by Mr. Riley. Motion carried with Mrs. Stanley abstaining due to a conflict of interest.

Respectfully submitted,

ROBERT RILEY, Chairman

COLLEEN STANLEY
