Danbury, CT 06810

**RE: McDonald's Newtown Road  
Assessor's Lot No: L12032**

Dear Councilmen:

Pursuant to a letter from the engineering department I hereby request approval for the City to accept a fire hydrant that will be installed by the developer when the above referenced project is built. This request came from a letter dated July 28, 2005 from Patricia A. Ellsworth, P.E., Assistant City Engineer.

It is understood that all costs associated with permits and the installation related to the hydrant will be the responsibility of the developer.

The newly proposed hydrant will be located in front of the proposed facility in the right of way adjacent to the sidewalk.

If you have any questions regarding this proposal and request, please do not hesitate to give me a call.

Sincerely,

**BOHLER ENGINEERING, P.C.**

  
Chris Boyea
