The Honorable Mayor Mark Boughton and members of the Danbury Common Council
155 Deer Hill Avenue
Danbury, Connecticut

Dear Mayor Boughton and members of the Danbury Common Council:

We have recently received an offer from Dreamscapers Inc to donate a rustic wooden archway for the entry to the foundation section of the Ives Trail Greenway. The Tarrywile Park Authority and the Ives Trail task Force have both agreed that it would be an appropriate visible marker for the integration of the Ives Trail with the trails of Tarrywile Park, and would be most appropriately located at the City-owned property on Mountainville Road, near the pre-school. The gateway is approximately 9 feet high, 8 feet wide and it is constructed of walnut timber. The donation also includes their services in installing the archway.

I respectfully request the Common Council's authorization to accept this donation

Respectfully Yours,

Jack Kozuchowski

Coordinator of Environmental &
Occupational Health Services
