RE: **LOCIP 2005-2006 APPLICATION**
DATE: February 29, 2006

On or about March 1 of each year, the City is eligible for State LOCIP funds. Common Council approval is necessary in order to make application for these funds. Attached you will find five resolutions for these projects that total \$510,150. These items are all part of the City's Capital Improvement Plan recommended by the Planning Commission and were included in the FY 2005-06 budget approved by the Common Council.

I would, therefore, ask that the Common Council at its March meeting approve the attached resolutions so that we may forward our application to the State for its approval.

Please feel free to contact me should you have any questions. Thank you.
