February 9, 2006

To: Honorable Mayor Mark Boughton
Danbury City Common Council

Subject: Donation to Danbury Police Department in recognition of their service and dedication by the churches of ShareFest Greater Danbury

We would like to make a donation to the City of Danbury Police Department in recognition of their dedicated service provided to our community.. We know they work 24 / 7 to protect the citizens of this community and to be prepared for any possible security eventuality. We would like to recognize their fine service and the sacrifices they make on behalf of the citizens in our community.

Police Chief Baker has indicated that public safety would be enhanced if there were a heart defibrillator at the downtown police station and at the PAL building, and that these items have not been included in the current tight city budget. He also indicated the police department could use a replacement hand held metal detector for the jail. He has indicated that the total cost of these items would be approximately \$4750 based on the attached purchase quotation he obtained through the city purchasing agents.

We would propose that we present Chief Baker or his designee with a check for \$4750 to cover the cost of these two defibrillators, two wall mount cases, and one hand held metal detection wand at our Celebration Service for ShareFest at the Western Connecticut University O'Neill Center on May 7 at 7:00 PM. With your approval, we would like to make this gift to the city in honor of the men and women who serve this city as police officers so that we can all enjoy a safe community.

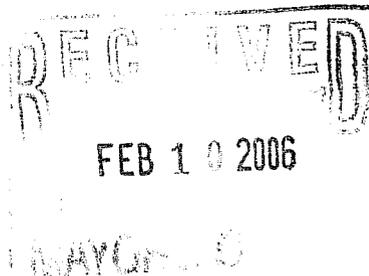

Please let us know if this is acceptable to the Common Council, and confirm that this donation will indeed go towards these needed items for use by the men and women who serve us so well.

We would like to invite the Common council and all city employees including the Police Department to join us at our Celebration Service as we pray for the government officials, employees, and residents of the cities in the greater Danbury area, and as we celebrate the blessings of ShareFest Greater Danbury 2006.

Sincerely,

Tim & Noelle Mathewson
