Dear Mr. McLachlan,

Thank you for your attention in this matter. Here is the information about the city property we would like to purchase. It is lot #45 on map 2925 at the Town Clerk's office and on the Tax Assessors map # J8, plot #J07049. This plot borders our property, at 128 Great Plain Rd, on two sides.

I realize I didn't get this information to you in time for the Feb. 1st meeting, but please submit my request at the next one.

Once again, thanks for your support. You continue to have ours.

Sincerely,

Karen Antici
