Dear Common Council

We are the homeowners of 4 Stadley Rough Rd. which is directly across from Rockwell Rd. Our neighbor Carlos Espinal is on the left and to the right is the house owned by the Schlemmers. Also Great Plain School is right behind us. We are very much interested in having the City sewer line brought to our Street so that we would have the opportunity to tie into it. We understand that there's a project coming up to construct from Rockwell to Carolyn. This is about 150 ft. we would like to be included in this next phase.

Sincerely,

Vincent Rea
