Re: Rockwood Lane/Lot No. B09001

Dear Sir:

I represent Paul DeFabritis, the owner of property on Rockwood Lane (Assessors Lot #B09002). My client is interested in purchasing the adjacent 2 acre property acquired by the City of Danbury in a tax foreclosure action (Lot #B09001)

I believe this property was deemed "surplus property" by the Common Council approximately five years ago when Mr. DeFabritis originally expressed an interest in buying it. Attorney Pinter has suggested that I contact the Common Council to ask that it be declared as surplus property again because of the length of time that has elapsed.

Very truly yours,

Peter C. Hunt
