~AD HOC REPORT~
Request for Sewer ~ Home Place
Thursday, August 16, 2007

Hon. Mark D. Boughton, Mayor
Common Council Members

Chairman Michael Calandrino called the meeting to order at 6:30 p.m. on Thursday, August 16, 2007, in the Caucus Room, 3rd Floor, Danbury City Hall, 155 Deer Hill Avenue. Present were Committee members Pauline Basso. Ex Officio members: Gregg W. Seabury. Also present were City Engineer Farid Khouri and Diainius Virbickas and Petitioners Roy and Barbara Hunt.

Chairman Calandrino introduced everyone in the room. Chairman Calandrino explained the purpose of the evening's meeting was to consider a request for a sewer extension at 12 & 14 Home Place, Danbury, Connecticut.

Chairman Calandrino noted for the record that Fred Visconti was absent because his son was getting married.

Chairman Calandrino asked Farid Khouri to provide everyone with some background regarding the request before the Committee. Mr. Khouri explained that there is an existing combined lateral connection to #12 and #14 Home Place. Presently, there is a manhole at the intersection of Michael and Home which extends approximately 70 feet east of the intersection. The request is to extend it to 85 feet. Mr. Khouri pointed out that the area is within the watershed. He sees no problem with extending the sewer so long as the 8 steps are met. Chairman Calandrino noted the positive recommendation from Planning concerning the request.

A motion was made by Councilwoman Basso and seconded by Chairman Calandrino that the Committee recommends to the Common Council that they approve the request to extend the sewer to #12 and #14 Home Place provided the 8 steps are followed. The motion carried unanimously.

A motion to adjourn was made by Councilwoman Basso and seconded by Chairman Calandrino. The motion carried unanimously at 6:35 p.m.

Respectfully submitted,

Michael Calandrino, Chairman

Pauline Basso
