Honorable Members of the Common Council  
City of Danbury, Connecticut

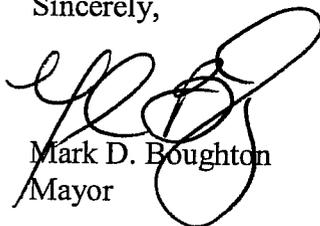

Dear Common Council Members:

Anticipating the arrival of snow in the coming months, I am requesting an Ad Hoc Committee to review the City of Danbury's snow emergency protocols. In December 2002 I promulgated a new Snow Emergency Protocol with three levels of "Snow Emergency." This system has worked fairly well over the past five years however some residents and businesses have experienced a degree of confusion regarding their responsibilities.

City of Danbury Code of Ordinances Sec. 19-60 addresses snow emergencies in a general fashion. I recommend we formalize the City of Danbury Snow Emergency Protocol and consider changes to our Ordinances.

Thank you for your consideration of this matter.

Sincerely,

Mark D. Boughton  
Mayor
