Re: Gift Card Donation to the City's Shelter

The City of Danbury's Homeless Shelter presented at Ms. Kopfstein's Sociology Class at Western Connecticut State University on March 7, 2007. The Shelter Caseworker brought a panel of 3 individuals who are homeless and staying at the shelter to present to the students. This panel shared their insight and experience as a person who is homeless.

To thank the staff and clients for their presentation, the WESCONN professor donated \$45 in gift cards to the City's Homeless shelter. I am requesting that the Council accept this generous donation.

Sincerely,

Aimee H. Budnik, MS, RD
