TO: COUNCIL PRESIDENT  
JOSEPH CAVO

President Cavo:

After receiving several complaints regarding noise from early morning garbage haulers, sometimes as early as 4:30am we are requesting an Ad Hoc committee be appointed to study any further measures that could be added to our present noise ordinance regarding this problem. Also we would like to include complaints of loud music once again bothering many neighborhoods. Your help in presenting this will be greatly appreciated.

Sincerely,

Fred Visconti *FV*
