Re: Danbury High School Key Club

The City of Danbury's Emergency Shelter received a generous donation of toiletries and socks from the Danbury High School Key Club as part of one of their community service projects. This donation assists the shelter with providing personal hygiene items for individuals that are homeless and are using the day center's shower facilities.

I am requesting that the Common Council accept this sincere and generous donation.

Sincerely,

Aimee H. Budnik, MS, RD
