Attending: D. St. Hilaire, Finance Director
R. Edwards, Assistant Corporation Counsel
D. Day, Superintendent of Public Utilities
T. Hughes, Superintendent of Construction Services
D. Natale, Assistant Purchasing Agent

The Board of Awards convened at 10:00 A.M. in the Purchasing Dept. Conference Room (virtual meeting – attendees via Zoom conference call) to consider the following:

“Wastewater Treatment Plant – Trickling Filter #3 Repairs – Public Utilities Dept.” Mr. Volpe reported that the Public Utilities Dept. submitted a Construction Services Contract for Veolia Water to perform the subject work at the total proposed cost of \$193,919.00. Mr. Volpe informed the Board that Veolia Water proposed the work as per their current operating agreement with the City of Danbury for the Wastewater Treatment Plant (WTP). Mr. Day moved to award the proposed work to Veolia Water as per their operating agreement with the City of Danbury for the WTP, contingent upon execution of an acceptable contract. Mr. St. Hilaire seconded the motion, which was then carried unanimously.

“Downtown TOD Streetscape Project – Construction Inspection Services – Construction Services Dept.” Mr. Volpe reported that these services had previously been awarded to Martinez Couch & Associates in the amount of \$139,880.00. Mr. Volpe informed the Board that Mr. Hughes submitted a proposal from Martinez Couch & Associates dated January 13, 2022 to provide additional services, in the amount of \$30,984.00, through the completion of Phase I in the spring of 2022. Mr. Volpe stated that Mr. Hughes, in his transmittal email, indicated that the completion of Phase I, originally anticipated in September 2021, was delayed due to supply chain issues. Mr. Hughes moved to allow for the additional services as proposed. Mr. St. Hilaire seconded the motion, which was then carried unanimously.
