Chairman Finaldi then stated that the Continuation of Public Hearing for Pioneer Realty and the Old Business for Laurel Draper have both been tabled and continued to the June 1, 2022 meeting. He then read his usual speech regarding the virtual meeting process.

8-24 Referral – May City Council Agenda Item #8: License Agreement for Use of City Property – Old Sherman Turnpike.

Mrs. Calitro referred to her report dated May 12, 2022 and explained that this is a request to allow a gas station on Newtown Road to lease abutting City-owned land on Old Sherman Turnpike. This additional land is needed to meet the parking requirements as part of a redevelopment of the site. The formal site plan has not yet been submitted to the Planning Department. She said we were provided a concept plan and a draft license agreement which led to some additional questions that need to be answered. She said staff does not object to them giving a positive recommendation but asked that the three specific concerns she spoke about be added to their recommendation.

Mr. Chioocchio made a motion to give a **positive** recommendation for this item subject to approval of all final plans and documents by the Office of the Corporation Counsel prior to acceptance and recording on the Danbury Land Records and the following conditions:

- (1) Confirmation by the Department of Public Works that there is no objection to the license agreement and that this land is not immediately necessary for roadway improvements.
- (2) The draft agreement should be modified to state that if the City takes back control of the land, either the gas station site will become non-conforming, or the property owner will have to find a way to bring the site into compliance.
- (3) Also in the draft agreement, the paragraph regarding proposed signage in the leased area should be clarified to state that any signage shall meet the requirements of the Zoning Regulations.

Mr. Chioocchio made the motion to give this a positive recommendation. Mr. Salvagne seconded the motion and it was passed unanimously by voice vote with five ayes (from Mr. Chioocchio, Mrs. Hoffstaetter, Mr. Salvagne, Mr. Haas and Chairman Finaldi).
