**TO:** Hon. Mark D. Boughton via the City Council  
**FROM:** David W. St Hilaire, Director of Finance *DWS*  
**DATE:** January 17, 2011  
**SUBJECT:** Ambulance Fund Capital vehicle

---

For the fiscal year 2012-2013 budget, the Ambulance Fund includes a vehicle purchase. The net proposal from Yankee Fire and Rescue delivered price is \$115,000, which includes a 2005 Ford ambulance trade in allowance.

This amount includes both the vehicle, installation, and its associated equipment. The anticipated delivery date is sometime after July 2012.

I am requesting that the City Council approve the issuance of the purchase orders in the current fiscal year so that the vehicle and its equipment can be ordered.

The City Council is respectfully requested to consider this item on their agenda. Please contact me should you require any addition information. Thank you.
