Re: Donation from Danbury Dominican Softball League

Dear Mayor Boughton and Council Members:

The Dominican Softball League would like to donate the materials and labor necessary to erect an outfield fence on softball field #1 in Rogers Park. The fence is badly needed in order to prevent injury of players from going into the drainage ditch that runs the length of the outfield. The Recreation Department feels this is an important addition to the facility while improving the safety of the participants. Value of project is \$4,500.00.

I request that this generous donation be accepted at the next meeting of the City Council.

If you require any additional information please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Nick Kaplanis".
