Dear Mayor Boughton and Common Council Members:

Sanitary Sewer Extension (Assessment Method)
Kevin Drive Area
Project No. 08-02

The mail survey soliciting input from those property owners who would benefit from the extension of the City's sanitary sewer system to the Kevin Drive Area has been completed.

The results of this survey were compiled on May 20, 2008 with the following results:

Yes -----	2	(11.8 %)
No -----	10	(58.8 %)
No response -----	5	(29.4 %)
17 Total number of lots in survey		

A color coded map showing how the owners of the lots that would be served voted has been prepared. The map is available in my office for review.

Hopefully, this information will assist you in your deliberations as to whether this sanitary sewer construction project should go forward.

If you have any questions, please feel free to contact me.

Sincerely,

Farid L. Khouri, P.E.
