Re: Donation from Taylor Farms

Dear Mayor Boughton and Council Members:

The Parks and Recreation Department has received a donation from Don Taylor of Taylor Farms of organic fertilizer to be used at Candlewood Town Park. It has a estimated value of \$290.00. The donated material will be used as a fall treatment to the newly planted grass area in the park

I request that this generous donation be accepted at the next meeting of the Common Council.

If you require any additional information please do not hesitate to contact me.

Sincerely,

Nicholas Kaplanis  
Director of Recreation
