

Danbury Water Department – Annual Hydrant Flushing 2021
Week 8 flushing list – 5/24/21 - 5/25/21

The following is a list of streets and areas to be flushed during the eighth week of fire hydrant and water main flushing by the Water Department. Annual flushing is necessary to provide better quality water and fire protection. Customers in areas listed below may experience fluctuations in pressure and/or discoloration of their water during flushing.

If you experience discolored water, run your cold-water tap until it clears. During periods of discoloration postpone washing clothes and limit your use of hot water until the cold water clears.
